CAR PARK CHANGES from next week.

Players on CCLC's mailing list received notification recently of the coming changes to the carpark. Another e-mail with responses to FAQs came today. Below are answers to some of your questions. Copies of this e-mail will be in our room,

Car Park Changes – Member FAQs

Thank you for all the feedback we have received from members and guests regarding the carpark changes. Please refer below for FAQ's which might help answer some questions before the changes come into effect on **Monday 23rd March.**

Who can I contact with questions or feedback?

If you have any questions or feedback about the parking changes, please email:

ask@cclc.com.au

Why has the Club introduced car park controls?

The Club car park has increasingly been used by people who are not visiting the Club. Many cars have been parking before the Club even opens, which reduces parking availability for members and patrons using our facilities.

These new controls ensure there are more parking spaces available for people who are actually using the Club, especially during busy periods.

Is parking still free for members?

Yes. Parking is free when you are using the Club facilities for the whole duration of your stay and validate your ticket.

Simply:

- ✔ Take a ticket when you enter the car park.
- ✔ Make a purchase inside the Club (food or beverage) or using Coast Fitness HQ facilities.
- ✔ Validate your parking ticket at the point of sale when leaving the club.

What happens if I don't validate my ticket?

If your ticket is not validated, the system will apply parking fees when you exit the boom gate. You can pay using credit or debit card only at the gate

What purchases allow ticket validation?

Parking validation is available when making food or beverage purchases within the Club.
Please keep your receipt as proof of purchase.

What are the parking fees?

Introductory Rates (until Midnight 29th March)

- Flat daily fee: \$3
- Lost ticket: \$10

Standard Rates (after Midnight 29th March)

- 0–3 hours: \$5
- 3–5 hours: \$10
- Over 5 hours: \$25
- Lost ticket: \$25

What happens if someone refuses to pay the parking fee?

The car park is private property. Repeated refusal to comply with the parking system may result in:

- Banning from the car park and Club
- Wheel clamping (removal fee \$1,000)

What happens if someone refuses to pay the parking fee? (cont)

- Towing at the owner’s expense
- Suspension or expulsion from the Club

Do purchases at Monkey Mania, Clip n Climb, Peking Garden, Bingo and Poker count?

No. These businesses operate as tenants and are not Club facilities, so purchases made there cannot be used to validate parking. If you only visit these venues, parking fees will apply.

What time does the car park close?

The car park closes daily at 4:00am.

Vehicles left inside between these times:

- May not be able to exit until reopening
- May be towed if left for extended periods

I hope that clarifies things a bit

As Monty Python might say

NB. We have not changed our Charity –
they have changed their name .

Thanks to Gina & Oscar for making
their garage available for this sale.

Fri: Margo Burnet & Lyn Baber	74.25

System cards

A reminder that we need to bring our system cards to the table. Also, we should check that it's the same as that of our partner', ie that we're playing the same conventions

Generally , the stand-by plays partners card but when there is a big difference in experience between the two, it is preferable to play a basic system.

Playing with the stand-by
